

## Agenda Thursday

---

04. April 2019

- 08:00 am    **Entry and Registration**
- 09:00 am    Welcome Speech  
*Michael Baumann, LCTech GmbH, Obertaufkirchen, Germany*
- 09:15 am    Analysis and Risk Assessment of PCBs and Dioxins in the Cause of Time  
*Prof. Dr. Peter Fürst, Chemical and Veterinary Analytical Institute  
Münsterland-Emscher-Lippe (CVUA-MEL), Muenster, Germany*
- 10:00 am    Emerging and Existing Brominated Contaminants in Food  
*Dr. Alwyn Fernandes, University of East Anglia, Norwich, United Kingdom*
- 10:30 am    **Coffee Break**
- 11:15 am    BFR Analysis – Results of EURL Proficiency Tests  
*Dr. Alexander Schächtele, EU Reference Laboratory for Halogenated POPs,  
Freiburg, Germany*
- 11:45 am    Reducing the Tolerable Weekly Intake for Dioxins and dl-PCBs in Relation to the  
Current Exposure  
*Dr. Ron Hoogenboom, RIKILT - Wageningen University & Research, The Netherlands*
- 12:30 pm    **Lunch**
- 02:00 pm    Consequences for Official Control Laboratories  
*Dr. Thorsten Bernsmann, CVUA-MEL, Muenster, Germany*
- 02:30 pm    Consequences for Contract Laboratories  
*T. B. A.*
- 03:30 pm    Consequences for QC Laboratories  
*T. B. A.*
- 04:00 pm    **Coffee Break**
- 04:30 pm    Final Discussion
- 05:30 pm    End
- 07:00 pm    Dinner

**REGISTER HERE**

## Agenda Friday

05. April 2019

- 08:30 am    Entry
- 09:00 am    Opening Remarks  
*Michael Baumann, LCTech GmbH, Obertaufkirchen, Germany*
- 09:15 am    From Dioxins and PCBs to Halogenated POPs – Changes in the Tasks of the Network of EURL and NRLs  
*Dr. Rainer Malisch, EU Reference Laboratory for Halogenated POPs, Freiburg, Germany*
- 09:45 am    Analysis of PFAS in Environmental and Food Samples  
*Prof. Dr. Heidelore Fiedler, University MTM Research Center, Örebro, Sweden*
- 10:15 am    Coffee Break
- 10:45 am    Analytical Methods for PFAS in Fish and Other Foods  
*Dr. Stefan van Leeuwen, RIKILT - Wageningen University & Research, The Netherlands*
- 11:15 am    PFAS Analysis at the CVUA Freiburg / EURL for Halogenated POPs in Consequence of the Contamination Case in Baden-Württemberg  
*Theresa Zwickel, EU Reference Laboratory for Halogenated POPs, Freiburg, Germany*
- 11:45 am    Modern Analytical Approaches for the Analytical Determination of Unknown PFAS at Contaminated Sites  
*Dr. Frank Thomas Lange, TZW: DVGW Water Technology Centre, Karlsruhe, Germany*
- 12:15 am    Lunch
- 02:15 pm    Removing of Per- and Polyfluorinated Substances from Water. New Approaches for Elimination - Do's and Don'ts and How is the Reality?  
*Maik Rudloff, University of Koblenz-Landau, Institute for Environmental Sciences, Landau, Germany*
- 02:30 pm    Final Discussion
- 03:00 pm    End of Event

**REGISTER HERE**
